

Personal, Social, Emotional and Health Education

Children's Personal, Social, Emotional and Health development is at the heart of Knights Enham Nursery and Infant School's curriculum. Staff and Governors believe that children's Personal, Social, Emotional and Health development goes hand in hand with the progress children make in the core subjects such as English and Maths and helps the children to become citizens in a democratic modern Britain.

Personal, Social, Emotional and Health education is delivered through Assemblies, Circle Time and is integrated in other subjects.

Each class holds a circle time activity at least once a week. In Foundation Stage this takes the form of PATHs and Rights, Respect and Responsibility. In Key Stage One this takes the form of PATHs, SEAL, Rights, Respect and Responsibility.
