

Dear Parents,

My name is Sally Loader and I am the Family Partnership Manager at Knights Enham Nursery and Infant School. My role within the schools includes providing help and support and to families and to act as an extra link between families and school.

There are times when for any number of reasons families experience difficulties or are just feeling a little overwhelmed and low due to the stresses of everyday life. It may be hard to approach a teacher or the school.

That's where I come in.

I am available to provide support and accompany you to meetings both in and out of school. I can access outside agencies and resources and I will be more than happy to make enquiries for you. If I can't give you an answer, I will find somebody who can. I can offer parenting advice and am running a parenting course here at Knights Enham Infant School. (Next one starting March 2016). Perhaps you need some help filling in forms, I don't profess to be an expert but sometimes two heads are better than one! Any problem, large or small, bring it along and between us we will try to find a solution. The kettle is always on and a warm welcome assured.

Please contact me in person, by telephone, text or email. If for any reason you do not feel comfortable coming in to school I will be happy to visit you at home. I am available from 8.30-3.30 Mondays, Tuesdays and Wednesdays.

Keep an eye on the school newsletters for details of workshops and events.

Sally Loader

Family Partnership Manager
