Hello Families,

After an unexpected false fire alarm on Thursday, the children were fantastic. They seamlessly left the school building to the fire point and waited patiently to go back into school. Well done everyone. Look out for our new Safeguarding display in the office reception. There is some useful information displayed.

We are coming to the end of a very busy term. We know how busy it is at this time of year and what we expect you to remember, jumper days, school fairs, performances so a big thank you from us all! Have a very enjoyable Christmas with your children and we look forward to seeing you all in 2018. The staff at Knights Enham.

Foundation Stage

This week Robins, Puffins and Owls saw all their hard work pay off when they did two brilliant performances of The Gingerbread Man. I'm sure you will all agree they sang and danced really well. Staff were all really proud of them- we hope you all were too! Don't forget to buy a photo from the office.

Owlets have been busy doing some Christmas cooking. They all had great fun doing this.

Year 1

This week in English, we have been following and writing instructions. We have learnt how to use imperative verbs. Ask us to explain this at home! In Maths, we have been on a Polar Express subtraction journey. We have been problem solving, using our subtraction skills. We have started some exciting Christmas crafts, including salt dough baubles, and Rice Crispie Christmas puddings!

Year 2

In Year 2 this week we have been carrying on with the elf diary. The children have been writing about elf's bad behaviour and all the mischief he has been up to. In Maths we have been looking at money, in particular how much change the children would get from a certain amount. Ask them to help you out at the shops! We're looking forward to our Christmas performance next week.
