Friday 2<sup>nd</sup> February 2018

Dear Families, we are racing through another half term. We recently had an important visitor who thought our school was fantastic, they observed lots of positive learning in the classrooms and were impressed with the behaviour of the children. Thank you for your continued support and hard work to help us to be able to plan and deliver events such as the storytelling evening and trips.

Story telling evening:

Thank you to all the parents who joined us last night for a super story telling evening. The children thoroughly enjoyed themselves around the campfire listening to stories and eating smores!

#### **Foundation Stage**

This week Robins, Puffins and Owls have been making their own winter pictures. They have chosen what to paint or stick on to make it look wintery. Lots of silver glitter has helped! Come and see our pictures which will be on display in the classrooms at next Thursdays Show and Share after school.

Owlets have been out in the big sandpit in the playground digging and having fun rolling in the sand.

#### **Year 1**

This week we have been looking at half and quarter in Maths. We have completed some problem solving and reasoning looking at Aliens in a spaceship! We have been really good with using language to explain.

We have also been busy collecting facts on planets for our Solar System Factfiles!

We are going on a Welly Boot walk on Wednesday 7<sup>th</sup> in the morning! Please bring wellies!

#### **Year 2**

In English we have started to look at poems and poetry. We have read several poems and the children have written their own ideas around it. They have also written a rhyming couplet of their own. In maths we have been using arrays to help with the multiplication of 2's and 5's. We have also been using unstructured number lines to reach the answers.

#### **Singing Club:**

**Children taking part in singing club have bravely completed their first song with an audience at star of the week assembly and what a fantastic way of celebrating their success! Well done to all the children.**

### Dates for your diary

- **Mon 5<sup>th</sup> Feb** - E-Safety Week
- **Tue 6<sup>th</sup> Feb** - Owlets Come and Play 11am
- **Thur 8<sup>th</sup> Feb** - Show and Share and Maths Fair - 3:15pm

- **Mon 16<sup>th</sup> April** - INSET – School closed to children
- **Fri 20<sup>th</sup> April** – Non School Uniform Day – wear green and/or yellow for Air Ambulance

### E-Safety for Parents – Monday 26<sup>th</sup> February 2018

We are pleased to let you all know we will be running a special E-safety Assembly for parents at both the Infant and Junior school. It will be held in the Infant school hall by Andrew Woods from HARRAP IT.

HARRAP IT are a local company that provide IT solutions for schools including both ourselves and the junior school. Andrew was previously a teacher at Harrow Way Secondary School so really understands the pressures and challenges we face as parents on trying to keep our children safe online. This is a FREE event so please come along and learn about what we can do to ensure the safety of our children.

After the parents presentation, there will be a children-only assembly for our year 1 & 2 children.

### Non School Uniform Day - Friday 20th April 2018

On the 20th April the schools in Andover will be having a shared Non School Uniform day. We are doing this to raise money for the Hampshire and Isle of Wight Air Ambulance. We are asking that all children wear something green and/or yellow and bring in a donation to school on this day. There has been a fly over arranged for 11am that day (unless there is an emergency at that time) which will be wonderful for the children to see!

Please visit their website <http://www.hiowaa.org/>

### THURSDAY 8TH FEBRUARY

#### SHOW AND SHARE 3:15 to 4:00pm

In your child's classroom – come along to see their class work

#### MATHS FAIR 3:15 to 4:00pm

In the school hall – come along to help support your child's maths learning
